Greg Sanders	X		

Others Present

<i>Name</i>	<i>Title</i>
Jerry Sauerwein	Director of KPD
Joel Lewis	Greenville Resident

Citizen Input: None

**Accountant**

Sauerwein reported that he was recently informed that KEB will no longer be doing the District’s end-of-the-year audit or AUP. There is a nationwide shortage of accounts and KEB will need to reduce their workload to meet the shortage. The district will need to have an audit performed on fiscal year 2023 due to OSLAD revenue. He has been contacting other accounting firms to see if they are interested in taking us on as a client.

**Swim Team**

Sauerwein reported on the swim team meeting. The swim team parents favored trying to work with the league that Litchfield is in. Staff will be contacting them to see if they are interested in adding another team.

**Maintenance Shed**

Millenium continues to make progress on the building. The plumbing has been roughed in and the State plumbing inspector is scheduled to be on site on Tuesday. The next item will be for the HVAC contractor to install the in-floor heat tubing.

**Pool Season**

The pool has been drained for the winter.

**Garden Club**

The District has been working with the Greenville Garden Club on a tree and bird display for Patriots Park. The display has been installed at Patriots Park on the northeast side of the playground, pictures were attached. Sam Kious made the frame and Johnson Signs put the panel's graphics together. The display looks very impressive. We are having a discussion about adding another one near the lakefront with aquatic animals and plants.

**OSLAD**

Sauerwein informed the Committee that staff has sprayed the field area. The staff has also sprayed the dog park area since there will need to be some grading done on the site. Sauerwein informed the Committee that the OSLAD advanced payment has been received today Monday, August 21.

**IEPA Green Infrastructure Grant**

Sauerwein informed the Committee of the grant opportunity and stated he attended the technical webinar for the grant. This grant may be an opportunity for the drainage work at Jaycee Park. He has contacted the IEPA and Heartland Conservancy to explore the possibility of applying for the grant. The Committee discussed different green solutions.

**OSLAD Pickleball Court**

The Committee had some discussion on the pickleball courts.
